A STEEL DIVIDEND.

New York, Jan. 6.—The United
States Steel Corporation has passed
its common dividend. Its earnings in
1933 shrunk twenty-five millions of
dollars.

SIX BELOW ZERO.

New York, Jan. 6.—It is intensely
cold throughout the Eastern States.
The weather has not been paralleled
for years. At Atlantic City the ther-
mometer registers six below zero.
Mines and railroads are hampered and
many fatalities have occurred. At
points in Massachusetts the mercury
has gone to fifty degrees below zero.

SITUATION IN EAST.

Vladivostok, Jan. 6.—Owing to dis-
turbances in Korea between Japanese
and the inhabitants, a Russian regi-
ment has been dispatched to that coun-
try.

Chefoo, Jan. 6.—Eight thousand Jap-
anese troops are off Masampo, ready
to land.

Russia is secretly advancing troops
from Manchuria.

Paris, Jan. 6.—Russia's chief demand
is for the establishment of a neutral
zone in northern Korea. Japan resists
the proposal and it is thought here
that Russia will yield the point.

Seoul, Jan. 6.—Thirty-five American
marines have arrived here to protect
the legation. Seventy more are ex-
pected. The situation is critical.

St. Petersburg, Jan. 6.—It is as-
serted here that Admiral Evans was in-
structed to remove his warships from
Yokohama to Honolulu so as to dis-
courage the impression that the United
States was supporting Japan. Russia
is pleased at this evidence of neutrality.

QUESTION OF LICENSE

The Board of County Supervisors is
considering eight meetings in place of
day sessions. The matter was dis-
cussed yesterday afternoon when it
was decided to adjourn until 10 o'clock
this morning, deferring further talk
on the evening sittings until that time.

At the afternoon meeting County At-
torney Rawlins was voted a deputy.
An assistant, a stenographer and a
clerk, at \$200, \$125, \$125 and \$90 re-
spectively.

J. W. Lloyd and Solomon Mahelona
were appointed bookkeeper and deputy
and assistant in the Auditor's office
at \$150 and \$100.

Geo. P. Thielein was appointed sten-
ographer and bookkeeper in the
Clerk's office at \$150.

The Clerk was instructed to order a
county seal according to the design
adopted. He was also instructed to
write the different departments re-
questing the turning over of offices to
the county officers.

Supervisor Leans nominated Dr. Sin-
clair as county physician. Supervisor
Harvey named Dr. Noblitt. There was
some question as to whether Noblitt
was a properly licensed physician and
the matter was referred for investiga-
tion to a committee appointed by the
Chair. Supervisors Lucas and Harvey,
to report on the license question today.
